B. P. H. S. BASKETBALL SQUAD 1954-55

TO THE MEMBERS OF THE PEP CLUB: On behalf of the boys in athletics and myself, I wish to express our appreciation for your loyal support during this season and the wonderful meals served after the game. You have set a high standard of sportsmanship and hospitality that is spreading over the State of Wyoming.

TO THE MEMBERS OF THE ATHLETIC TEAMS: It has been an enjoyable experience working with you this season. You have represented the school to the best of your ability, which is all one could ask. It has been my desire to teach not only the fundamentals necessary to win, but to motivate certain desirable traits of citizenship which athletics can give. Athletics teaches a boy in his formative years to control and command his own powers; to mobilize them quickly and completely toward a common goal. It teaches one to disregard pain and risk in pursuit of a desired end; to subordinate his interests to those of a group. It teaches him to call up and expend in an emergency his last reserve of strength and courage; to observe the rules of the game; to regard the rights of others, and stay within the limits dictated by decency and sportsmanship.

Athletics not only teaches a boy the will to win, but how to meet defeat. When he is defeated, what is his attitude? Does he curl up and quit? Does he whine? Does he attack the sportsmanship and ability of the officials or opponents? Or does he face the world with head held high and clear eyes of self respect, rejoicing in the idea, "I did my best."

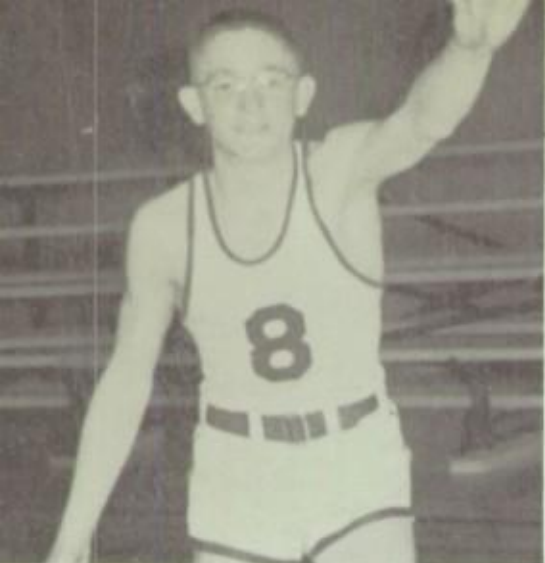

I am often reminded of a brave old Scot wounded in battle:

"Fight on, my men," Sir Andrew said,
"A little I'm hurt, but yet not slain;
I'll just lie down and bleed a little,
And then I'll rise and fight again."

This association, it seems to me, helps turn a young man toward a good and useful citizenship.

It is my desire to see more of Big Piney's student body participating in these two worthwhile organizations.

The Sublette Chapter of F. F. A. started the year with the camping trip to North Piney Lake. The members going on the trip were David Budd, Bob Tanner, Tom O'Neil, and Dean Luce.

The next activity was the State F. F. A. Judging Contest in Laramie. The representatives from our chapter were Frank Fear, Jerome Decker, Tom O'Neil, Bob Tanner, and Mike Marincic. The Agronomy team placed first in local judging.

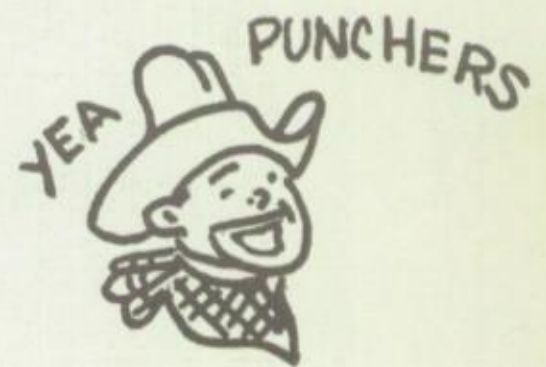

The Big Piney Bull Sale was next in October. The boys not having a bull in the sale worked in the food booth. The Showmanship Contest which was held between Pinedale and Big Piney F. F. A. Chapters was divided into sheep and beef. The beef championship was won by Tom O'Neil of Big Piney. The sheep championship was won by Ronald Worl of Pinedale.

In the school carnival the F. F. A. had a rat race and roping contest. The district public speaking contest was held in March in Cody.

A girls' double trio comprises the high school vocal ensemble. This group has presented various musical performances throughout our community. Much of their effort has gone into the preparation of music to be sung at the District Music Festival. The ensemble is offering its assistance in presenting an all-school choral program near the close of the school year.

Your cooperation during the past year has done more than anything else to show us why most people deem it a pleasure to work with high-school students.

On the pages of this book you have recorded the happenings in our school during the school year of 1954-55. You are to be congratulated for doing such a fine job--one for which all of you can be proud
